Experience

Present

Weissman Assistant Designer - Studio Team

- Assist with product & fabric data in Weissman's PLM system.
- Conduct trend research to identify new trends, fabrics, accessories, & techniques for womens dance & activewear brands & document the findings in aesthetically pleasing presentations.
- Attend local dance recitals & competitions to stay ahead of current trends.
- Create CAD flats in Illustrator and CLO3D & handoff designs to the tech team.
- Generate design BOM's in IMS.
- Assist in dressing during model fittings & during the annual fashion show.
- Aid in model fittings and collaborate on fit updates with cross-functional teams.
- Present designs to the design and marketing teams, documenting changes in IMS.

Present

Freelance Designer

- Create color & mood board presentations with original designs.
- Research fabric houses to source samples.
- Create paper patterns, sew mock-ups, final garments, & make fit adjustments.

June 2023 - October 2024

FSF Mentor

- Mentor college students in crafting successful resumes & cover letters.
- Guide them through the '24-'25 Design & Product Development case study projects.
- Provide additional resources to support their progress.

June 2022 - January 2023

Sabrina Spanta Assistant Designer

- Conducted market research, created design & color board presentations, & developed original illustrations & CAD flats.
- Researched manufacturing companies to source production.
- Successfully engaged collaborators & retailers through effective outreach.
- Mentored a fashion school applicant under Sabrina Spanta's guidance.
- Entered the brand into the Logistics in Fashion Award by CFDA & DHL.
- Collaborated with the marketing team on social media video creation.
- Designed & updated Sabrina Spanta's About page web design.

June - August 2021

Kohls Design Intern - Sonoma Team

- Developed CAD flats, original textiles, & graphics to present to the Sonoma design team.
- Created mood boards featuring upcoming trends & market research.
- Updated BOM's and linesheets for jackets & dresses, preparing for meetings with senior & tech designers.
- Manipulated CAD flats & prepared tech packs with POM's.
- Updated styles & communicated with vendors in OnePLM.
- Approved or rejected lab dips & trims in OnePLM.

Accomplishments

January - April 2021

CFDA Applicant

- Created two design portfolio's selected by the fashion faculty to compete in the CFDA scholarships, among all SCAD applicants.
